

ANNUAL AWARD FOR BEST RE-USE OF
ARCHAEOLOGICAL DATA

AWARD GOES TO BOTH
DATA ORIGINATOR AND RE-USER

RULES

1. Any paper or poster is eligible
2. The 'recycler' may not be principal members of the 'originator' (but may be based at the same institution).
3. The data must have been used with the originator's consent, as determined either through licensing or personal communication.
4. The data must, in principle, have been accessible to other parties for recycling. One-to-one arrangements (such as the passing of privately controlled data from supervisor to supervisee) are not eligible.
