

Annual report CAA Netherlands-Flanders chapter (CAA-NLFL) 2017

Board:

Chair: Ronald Visser

Secretary: Jitte Waagen

Treasurer: Devi Taelmans

During the annual CAA meeting in Atlanta several people from the CAA-NLFL chapter were present and contributed with various papers.

This year we did not manage to hold our annual meeting due to a lack of organizational capacity. This also means that we didn't have an official general meeting. To compensate for the lack of a formal public event and meeting our members, we will organize an day of workshops in cooperation with the Digital Archaeology Group from Leiden University in April 2018.

Due to the lack of a meeting in 2017, there are no financial reports to present.

We have been in close contact with CAA-Germany in relation to the upcoming joint meeting in Bochum in 2018, which appears to be going well.
