During the conference, keynote papers were delivered by Dr Sara Perry, Professor Andy Bevan and Professor Mark Gillings. The conference also saw Dr James Miles complete his tenure as chair of the CAA-UK chapter. During the AGM, Lawrence Shaw was voted in as the new chair and has started to work with existing committee members. The committee wish to thank James for all his hard work and time dedicated to the CAA-UK chapter and wish him well in his future endeavours.

The committee have now agreed with Dr Patricia Murrieta-Flores that the 2020 conference will be held at Lancaster University. As well as this, the committee hope to host a breakfast meeting for all CAA UK delegates during the International Conference in Oxford.
